

A diagram showing a variable label structure. At the top left, a rectangular box contains the word "INFO". To its right, an oval contains the word "variable". A horizontal line connects the right side of the "INFO" box to the left side of the "variable" oval. From the right side of the "variable" oval, a line extends to the right and then turns downwards, forming a large rounded rectangle that encloses the word "LABEL" in the center. The word "LABEL" is in a large, bold, sans-serif font.

**INFO**

**variable**

**LABEL**
